Title	Description	Presented by	Topic
This is JTED	<i>The Pima JTED provides Career and Technical Education programs to current high school students in a variety of areas. The workshop will provide the details of all JTED opportunities including current offerings, dual enrollment opportunities, and a connection to their post-secondary goals.</i>	Pima County JTED	Career Readiness
Entrepreneurship	<i>Discussions around the following: building a brand, brand identity, social media marketing, and making money while you sleep.</i>	Michael Rodriguez, RandomLyfe	Career Readiness
The Five "W's" of Entrepreneurship	<i>We will discuss what is entrepreneurship and the importance of knowing the 5 "W's" of your business: The Who, What, Where, When and Why as it relates to your potential customers. Tips for getting support will be discussed and handout provided.</i>	Choose Congruency	Career Readiness
Leadership, Teamwork & Problem Solving: It is What Employers Want	Leadership, problem solving, and communication, what do they have in common? There are some of the skills that employers who have been surveyed by the National Association of Colleges and Employers (NACE) have been saying they want in applicants. This workshop will utilize NACE Competencies, the top skills employers are looking for, to prepare students to get these skills and effectively communicate them to employers.	Pima Community College	Career Readiness
Leading with Courage and Kindness	This interactive session covers twelve, fundamental practices of kindness that significantly improve communication and relationships for the emerging leader. Some of the evidence-based applications to be explored include empathy, civility, conscientiousness, and compassion. They prepare the leader for situations of adversity that come with leadership. This session examines the brain's response to adverse stimuli, referred to as the fight or flight response, and how to courageously counteract it by applying the kindness practices.	Pima Community College	Career Readiness
Preparing for and Selecting the Perfect Career Path After High School	Workshop will present resources on where to find information about future careers...books, internet, databases, and to show how to prepare a basic resume and prepare for a job interview. In addition the workshop will test your values, interests, readiness, motivation and personality style One way to choose a college major or career is to think about all the things you're good at and interested in.	Pima Community College Library & Pima County Library	Career Readiness
